Cherries-On the 25th and 26th of May, the

Cherries—On the 25th and 26th of May, the Society had a grand display of fruits, illower & e., at the Masone Temple, a premium list offering liberal premiums for excellence in the hiff-runt departments was published, and a the exhibition the following fruits were show some of them very superior:

Cherries—Barbour's May, 1st premium,
Hulland Bigerrenu,
May Duke,
Elton,
Early Richmond,
White Bigerrean.

Strawberries—Hovy Seedling, McAvoy Superior, Wilson's Albany, Peabody Seedling, and several other varieties.

The floral display on the occasion was very the and gave general satisfaction.

Jane 23th—Unripe Sugar top pears, Madeite pears, White Bigerre pears, Madeite pears, White Pears, Madeiter pears, Madeiter

sel & Salter, N. 1.

Flums.—Duene's Purple and three lots for names.

PRENTICE/

IVER LUCAS Lo-al Editor and Reports MONDAY, FEBRUARY 25, 1861.

bute to the Hon. Robert Mallo-We publish this morning a report of the hold at Indianapolis on the immortal Twenty second. The Convention shed honor upon the State and upon the Day. All hail to the gallant Umenusts of Indiana

The fact that the I'resident elect hurrie con from Philadelphia through Baltimor Washington has excited a great deal plation. Some have conjectured that he him in Baltimore, but we cannot for a momen helieve it. We are strongly inclined to think Reputican friends, that he might give he air in the adjustment of the national troubles, the influence of his presence there will be

s uthern mos ment will very soon, we appre-Is disappointed. They have reckpied with be most perfect confidence upon the prompt and glad recognition of the independence a Southern Confederacy by Great Britain, w "11. but we do not think that they can see

A leading London paper known to enjoy a travernment stated four or five weeks ago, as if by auth itv, that the Government had re v roment until it should be receptured by before the Bri ish Ministry, as also subordinate nu tters of defection, elearance, &c., and the his, it is stated that the Emperor of France

any valuable Luropean recognition unless firs1 cognized by what will continue to be known | dered by protracted sectional controversy. must all see that the Cotton States government, whether a real v or a fiction, can have the late election, says: to come of being recognized by the old F d rnisters or consuls at home. Such a condition of things must undoubtedly bring on a general and terrible war in this country. To States government to acknowledge the inde-pendence of the South, could not, by the luws against the North; yet the South, borne down prentate, State, or soverelimity whats y the uter prostration of business and driven to de-peration by the den'al of any place what-cere among the powers of the earth, will find a hundred grounds or pretexts of war, and our properties of the control of th whole land wil become a far darker and blood- God her ground than Kentucky ever was in the We trust that very few of our foreign-born ost fearful and gloomy period of her history. Desperate, and reckless, and ready for strife, perinry involved in the breaking of that so

policy is tending, would shrink, appalled and foreign-bern on that to vote for infuriated politic tans recommend as the remedy for all existing evils. They don't show or even attempt to show how it can be a remedy tor anything, yet they expect their fellow entimen and merchant princes are being ruined by soman says it might go on with both the absurdity of the thus:

this infernal agitation. The country is totter-but the votes given show the absurdity of the links:

Leaderd, That it is the duty of every good of the imminent dangers the quake. Business is paralyzed, con dence deatroved, and no man can tell what a day will
bring fort. In the name of God and hnanity, we protest a sinst the wicked work,
and, amidst the wreck and rum that he about

We have already announced the removel of Mr. W. N. Haldeman, of the Courier, trom the Surveyorship of the port of Louby the abmanagement of the light when a surveyor the state of the larger states to be the course of the surveyor to be th swille and the appointment of Col. S. S. Eng. Ilaleeman, who we have no doubt has discharged faithfully the duties of his core, re-

paper, he certainly has been, for more than to insist upon such compromises as w accom-Constitution of the United States.

Col. Lag was Every firmed of Donglasseommon cause with the Colton States, in our r t roughout the l'residential canvass, and he to be thus helped out of the diler tis no an ardent friend of the Union. Il s appoints which they have been I unged by their ow ment, we doubt not, w' be entirely satisfactory precipitate as tion.

We have been permitted to read a letter from an official source at Was ington to an officer of the U. S. rife regiment, in which

a doubt, that wentstey, it successes them are officer of the t. S. time regarding, officer of the t. S. time regarding, officer of the t. S. time regarding, of the area of the success at archest no slaves coopt those, who, from their belplessness, will be a burden to their owners.

Men clearly see all this, and they are prethe landing frontier seventy-five time, proving victorious in every instance. It is never in the landing frontier seventy-five time, proving victorious in every instance. Men clearly see all this, and they are paring for it. A great many are making arrangements to quit Kentucky with their slaves in the event of her necession and to establish the event of her necession and to establish wounded. Well might Gen. Scott well are wounded. Well might Gen. Scott well are themselves further bouth where slave stam-podes into free territory will be less easy. Men ed its entrance upon the plaza in the Cry of have deposited money in our banks, star g last they will have no occasion for it if Ken. Mexico, with the exclamation, "t allant rit," hat they will have no occasion for it if Ken-tucky remains in the Union, but that, if she shall you have been baptized in blood and fire, and coed , they will need it to purchase and open come out steel."

The Cotton States have for more than a election. We believed him true to his State sarter of a century been crying out against and country. We were disappointed. Now li the oppression of duties on imports, and now the Moregomery Congress seems about to add to the oppression of import duties the further oppression of export duties an oppression that the Constitution of the United States forbids.

It is an impressionable for that the forbids. It is an unquestionable fact that every s i. to hold the place of the immortal Crittenden. justment. Every gentleman avowed him tary grievance, which the Cotton State leaders Let Brockinridge resign at once, and let the agent of the fam yours, truly,

have alleged as justifying secession, will be same Legislature that elected him elect J in Take Law soft le Lawreil e Journal.

J. Crittenden."

The J. Crittenden."
